June 6, 2016

Dear Saint Mary’s Families,

We hope you are enjoying the start of your summer. Though the 2015-16 school year has just ended, we are already busy planning and preparing for the new school year. Throughout the summer months we will be sending you important information to help you and your daughter prepare for the 2016-17 academic year. When you receive the information, either by email or regular mail, please review it carefully and provide forms and requested information by the deadlines noted. This will help ensure a smooth start for your daughter next year.

In this e-blast we are sharing the following:

From Athletics

- [Letter from Director of Athletics Dean Monroe](#) with summer training information for fall athletes.

From Visual and Performing Arts

- [Applied Music Program information and registration form](#) for those wishing to take private music lessons.

From Binder Health Center

- [Policies and procedures](#) you need to know.

About 2016-2017 Educational Travel

- [Information about travel opportunities for the 2016-17 school year](#). Please note: there are early fall deadlines for participation in our school-sponsored trips, so if your daughter has an interest in travel, we recommend reviewing this information sooner rather than later so you are better able to plan.

About Episcopal Confirmation or Baptism

- [Information from Chaplain Bonner-Stewart](#) about the Episcopal confirmation class or baptism offered at Saint Mary’s.

The information contained in this e-blast will also be posted on our website on the “[Parent Information for 2016-2017](#)” page, found under Quick Links on our homepage.
Our next mailing will come to you later this month by regular mail and will include a printed copy of our 2016-2017 Student-Parent Handbook, a preliminary schedule for Move-in and Registration Day on August 27, and other helpful information.

As always, if you have any questions please do not hesitate to contact the school at 919-424-4000, and your call will be directed to the person best able to help you. Please note the school is on summer hours with offices open Monday-Thursday 8 a.m.-5 p.m., and Friday 8 a.m.-12 p.m.

Thank you.

Saint Mary’s School

Our campus is getting busy with the start of Summer@Saint Mary’s. Offering programs for children of every age from enrichment to sports and arts to leadership development, Saint Mary's summer program has something for everyone. Click here for more about this summer’s offerings and current availability.
