Meet with Advisors

New and returning students and parents will have the opportunity to meet one-to-one with your advisor. Your advisor is your primary point person for all aspects of your Saint Mary's experience – from course selection to extracurricular and everything in between. Your advisor is the go-to person for a student or parents.

New and returning students will choose an extracurricular option for fall semester. The athletics program offers fall sports – cross country, golf, field hockey, tennis and volleyball, or our fitness program – Triangle Fitness. The arts program offers introductory workshops on theatre and dance.

School Opening Meeting and Co-curricular Discussion

New and returning parents will hear a state of the school update, an overview of programming and expectations for 2019-2020, co-curricular options for students, and how Saint Mary's faculty and staff partner with parents to ensure the best possible experience for your daughter.

New Parent Social

New parents are invited to a meet-and-mingle reception in Smedes-Emory Parlor.

Welcome Cookout

All parents and students are invited to a welcome cookout in The Grove – a chance to renew friendships, meet new friends, and experience the great Saint Mary's community spirit!

Boarding Life Orientation

Boarders will begin to settle in their dorms, guided by dorm faculty and their boarding prefects.
