

# SAINT MARY'S SCHOOL

August 2018

Dear Saint Mary's Families,

Welcome to a new year and a special welcome to our new families! I hope you have had a chance to relax and enjoy your summer. The members of the Saint Mary's Parents Association Executive Committee and I are looking forward to representing and supporting the students, faculty, and staff again this year. I am anticipating an exciting Welcome Week as the girls embark on a new school year at Saint Mary's and as we welcome new students into our wonderful school community.

As a parent, you are automatically a member of the Parents Association! There are so many ways for all parents, boarding and day, to get involved. Please [click here](#) to learn about these exciting opportunities and to sign up to volunteer for whatever interests you most! Volunteering is a great way to meet other parents and to support the mission of Saint Mary's School.

Class parents are great resources on all things Saint Mary's, and you will hear from them monthly via the class parent e-newsletters containing important information and specific grade-level updates. We also hold two All-Committee Parents Association meetings throughout the year. The first will be on September 5, and the second on January 9. All parents are invited to attend these all-committee meetings. They are held during the lunch hour on campus in Tyler Board Room. If you are interested in getting involved or just want to know more about what the Parents Association is doing throughout the year, these meetings are a great way to learn more. Keep an eye out for those class parent e-newsletters, and we encourage you to read *The Buzz* which is emailed to you every Friday. Both communications hold very important information for parents. Lastly, don't forget to check your parent portal for more about what's going on around campus!

I look forward to the opportunity to connect with you on Thursday, August 23 during registration and at the Family Welcome Dinner in the Grove that evening.

Sincerely,
