

SAINT MARY'S SCHOOL

May 2018

From Saint Mary's Performing Arts Program Faculty

We are excited to welcome our new and returning students to the 2018-2019 season of productions and classes. During the August orientation period, there will be time for students to meet Saint Mary's performing arts faculty, learn more about opportunities in dance, music, and theatre, participate in workshops, get information about upcoming productions, and get to know each other.

Below is the August orientation schedule for performing arts classes and workshops. Please feel free to reach out to any of us for more information or to answer any questions. We are proud of Saint Mary's long history of excellence in the arts, and we look forward to helping every Saint Mary's girl discover and pursue her creative talents and passion.
